March 22, 2018

Certificate of Compliance, California Proposition 65

Applicability: **Products Manufactured By Akro-Mils including but not limited to the following products: Plastic Reusable Containers and Pallets, Plastic Storage Bins and Systems, Metal Wire Shelving Systems and Custom Material Handling Products**

To whom it may concern:

Products manufactured and sold by Akro-Mils are in compliance with California Proposition 65. There are no items in Akro-Mils' product line which contain any Proposition 65 chemicals at a level which require labeling as such. Akro-Mils will continue to monitor the California Proposition 65, and we'll continue to ensure that we satisfy all requirements set forth by this proposition.

If you have any questions, or require further information, please contact me at the number below.

Sincerely,

Robert L. Sadinski
Director of Engineering / NPD
