Safety Data Sheet for Ca-Rezz Norisc Cream

1. Product and Company Identification

Product Name:	Ca-Rezz Norisc Cream	Recommended Use:	Moisturizing Cream
Manufacturer Name:	FNC Medical Corp.	Business Phone:	800-440-2888
Manufacturer Address:	6000 Leland St	Business Fax:	805-644-0777
	Ventura, CA 93003	Emergency Phone:	800-440-2888

2. Hazard(s) Identification

This product is not considered hazardous. No adverse health effects are known to be associated with exposure to this product.

NFPA Hazard ID: Health: 1 Flammability: 0 Reactivity: 0

HMIS Hazard ID: Health: 1 Flammability: 0 Reactivity: 0

3. Composition / information on Ingredients

Name	CAS Number	%
No hazardous ingredients	NA	NA

4. First-Aid Measures

INGESTION: If swallowed, do not induce vomiting. Immediately give two glasses of water. Never give anything by mouth to an unconscious person.

SKIN CONTACT: Wash with soap and water. If rash or redness develops get medical attention and discontinue use of product.

EYE CONTACT: Check for and remove contact lenses. Irrigate eyes with fresh water at least 15 minutes. Get medical attention.

INHALATION: Handling product does not create a normal risk of inhalation. Move to fresh air.

5. Fire-Fighting Measures

FIREFIGHTING: Extinguish fire using normal procedures. Cool containers with water spray.

EXTINGUISHING MEDIA: Dry chemical, carbon dioxide, foam and water spray are suitable.

EQUIPMENT: Trained firefighters will use all necessary protective equipment.

6. Accidental Release Measures

CLEANUP: Use information in Section Eight (8.) of this document for appropriate personal protective equipment. After exposure risk assessment is complete, material can be picked up using an inert absorbent material. Use hot water and soap to remove residue.

PRECAUTIONS: Slip hazard when spilled on hard surfaces.

ENVIRONMENTAL PRECAUTIONS: When there is no risk to personnel, try to prevent entry into waterways, storm drains, soil and other ecologically sensitive areas.

NOTIFICATION OF AUTHORITIES: After securing the immediate area, notify a supervisor of the spill. The National Response Center is staffed 24/7 by the US Coast Guard and can be reached at **800-424-8802**

7. Handling and Storage

HANDLING: Transport product in original containers. Handle in accordance with good industrial hygiene and safety practices.

STORAGE: Store product in the original container in a cool and dry place. Storage at elevated temperatures for extended periods of time can cause product degradation.

8. Exposure Controls / Personal Protection

RESPIRATORY PROTECTION: Avoid inhaling aerosols. Use a respirator with minimum OSHA rating of R95.

FOOTWEAR: Non-slip soles.

SKIN PROTECTION: None.

EYE EXPOSURE: Wear protective lenses with splash shields.

9. Physical and Chemical Properties

APPEARANCE:	Viscous white opaque cream with floral odor.	pH:	6.0 - 7.0
SOLUBILITY IN WATER:	Dispersed in water.	SPECIFIC GRAVITY (H_2O =1):	0.998
BOILING POINT:	No data available.	VAPOR PRESSURE:	No data available.

10. Stability and Reactivity

CHEMICAL STABILITY: Stable under normal conditions.

INCOMPATIBLE MATERIALS: Strong oxidizers.

POSSIBILITY OF HAZARDOUS REACTIONS: None known.

HAZARDOUS DECOMPOSITION PRODUCTS: Material does not decompose at ambient temperatures.

HAZARDOUS POLYMERIZATION: Does not occur.

CONDITIONS TO AVOID: Do not store at elevated temperatures for extended periods of time.

11. Toxicological Information

ACUTE ORAL TOXICITY: Low acute toxicity. May cause upset stomach.

SKIN EXPOSURE: May cause irritation or rash depending on individual sensitivity.

EYE EXPOSURE: Irritant

RESPIRATORY: The product is considered non-toxic and does not cause harm on inhalation.

12. Ecological Information

No information available.

13. Disposal Considerations

RCRA INFORMATION: This product was not formulated with material that would cause unused material to be considered Hazardous Wates by EPA CFR 40, Part 261D. Our opinion is to regard unused product as non-hazardous waste.

WASTE FROM RESIDUES: Dispose in accordance with local regulations.

CONTAMINATED PACKAGING: Empty remaining contents and dispose in trash or recycle. Do not reuse containers.

14. Transport Information

Not a dangerous product for transport when contained within original shipping containers.

15. Regulatory Information

Manufactured and marketed under FDA guidelines for Over the Counter (OTC) products. FNC Medical Corp. follows all current Good Manufacturing Practices.

16. Other Information

The information in this safety data sheet is considered correct to the best of our knowledge at the time of publication. Do not use the information in this Safety Data Sheet as product specifications or instructions for use. Contact FNC Medical Corp. to obtain information relating to the proper use of this product, or with any questions or comments.
