An SDS is not required for the above product(s), according to the OSHA Hazard Communication Standard (Right-to-Know). Products such as drugs, cosmetics, food, or alcoholic beverages, wood or wood products, and tobacco or tobacco products as defined in 29 CFR 1910.1200(b)(6), are exempt from the Hazard Communication Standard. Items that are considered articles as defined in 29 CFR 1910.1200(c) are also exempt from this standard.

In addition, the requested product(s) are not regulated as hazardous material for shipping in accordance with the U.S. Department of Transportation, and have no hazardous storage limitations as defined by the National Fire Protection Association.

Please contact us if you have any further questions.
