Universal Centerpull Towel Dispenser

The McKesson universal centerpull towel dispenser is wall-mounted manual dispenser designed for high-traffic spaces, helping reduce maintenance while supporting a clean, efficient environment. Its flexible, center-feed design works in restrooms, kitchens, breakrooms, and common areas, providing reliable dispensing in busy outpatient, long-term care, and clinic settings.

Features and Benefits

Easy To Load & Refill
Simple front-access loading makes it quick for cleaning teams to refill, supporting consistent uptime across multiple care locations.

Save Time, Effort and Money
High-capacity design means towels are replaced less often, helping staff focus less on restroom maintenance.

Universal Compatibility
Engineered to run a wide variety of paper substrates in a single dispenser, helping standardize across facilities.

Adjustable Nozzle Control
Allows tailored dispensing to help control towel length and usage, supporting cost management in high-traffic areas.
